## MasterTrac Issues

P	%	Due Date	Task	Assigned To	Notes
	1	0	08/01/2008	Lance Excavating	Find out about Voipgo and 411 listing
	3	0	07/28/2008	Way to delete images in MT	Scott needs a way to delete images that may have been added in error.
	3	0	07/28/2008	SOTU-Co ID changes on invoices	When printing an invoice, sometimes the company id changes to the next one in the key. Example: 29695 Change from Orion to Olw. Originally they were to Aero Air 29696 29697 29698 29699 (did not change for Kim)  Use the downloaded datafile to test and resolve.
	3	0	07/28/2008	Heber City wireless	Hook up open wireless and secure wireless systems
	3	0	07/28/2008	MT auto increment problem	In MasterTrac under job traveler, when adding materials, you get an auto increment error. Scott @ BMI
	4	0	07/28/2008	Clings Issues	1) On Invt PO, BO line does not get created 2) Qty's for canceled jobs stay on 3) Fax # on POprint cuts off 4) Vendors and customers: Show contacts emails in list.
